

Dear Partners in God's Mission,

Many, Lord my God, are the wonders you have done. Were I to speak and tell of your deeds, they would be too many to declare. – Psalm 40:5

What a great year it has been! God has done so many wonders in our lives and ministry—too many to count! He is a God who never stops working, and we are privileged to be part of His work right here in eastern Polk County. Thank you for your generosity this past year! Here is a glimpse of what God has done with your gifts.

You are helping new families find *practical faith* through great outreach events like the New Year's Eve Party and our 55+ Lunch.

You are helping to shape the hearts of 300 young people through our Jesus-centered, high-impact kids and youth ministries.

You are helping to connect the dots between faith and life for adults as over 200 meet regularly to grow friendships, study God's Word, and pray.

You are helping give over \$114,000 to partner ministries to alleviate hunger, train leaders, send missionaries, and spread the life-changing news of Jesus.

The wonders God has done through your generosity are too many to count. **Thank you so much for multiplying *practical faith* in thousands of lives through your investment in Lutheran Church of the Cross.**

As we begin a new year, please prayerfully consider how God is calling you to support His work through this church. As a reminder, if you do not have automatic giving set up, this is a great way to give faithfully and joyfully throughout the year. You can also give by text! Visit lccaltoona.org/give for more info about these options.

Thank you again and let's go and be the church!
